TRUTH IN SAVINGS DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts:

- 1. Rate Information.** The Dividend Rate and Annual Percentage Yield on your accounts are set forth on the reverse side. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the Dividend Rate and frequency of compounding for an annual period. The Dividend Rate may change daily as determined by the Board of Directors. The Dividend Rate or Annual Percentage Yield applicable to each account will apply to the entire balance in your account.
- 2. Nature of Dividends.** Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The Dividend Rate and Annual Percentage Yield set forth on the reverse side were effective on the last Dividend Declaration Date for the applicable dividend period.
- 3. Compounding and Crediting.** For dividend bearing accounts, dividends will be compounded and credited monthly. The Dividend Period begins on the first calendar day of the month and ends on the last calendar day of the month.
- 4. Accrual of Dividends.** Dividends will begin to accrue on cash deposits on the business day you make the deposit to your account. Dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all dividend bearing accounts, if you close your account before accrued dividends are credited, accrued dividends will not be paid.
- 5. Balance Information.** The minimum balance required to open each account is set forth above. The minimum monthly balance required to obtain the stated Annual Percentage Yield is set forth above. The minimum required balance and dividends are calculated by the daily balance method, which applies a daily periodic rate to the principal in the account each day. For Money Market accounts, there is a minimum balance required to avoid a service fee.
- 6. Consolidated Community Credit Union (CCCU), CCCU Cascade, and Providence Credit Union (PCU)** are all trade names or registered service marks of Consolidated Federal Credit Union. Although these branches have different names, they are all part of the same credit union; shares and deposits held at each office are not separately insured.
- 7. New Account Incentives.** New account incentives received by the member exceeding \$10 are subject to IRS 1099-INT reporting.
