TRUTH IN SAVINGS DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts:

1. Rate Information. The Dividend Rate and Annual Percentage Yield on your accounts are set forth on the reverse side. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the Dividend Rate and frequency of compounding for an annual period. For all dividend bearing accounts, except Money Market accounts, the Dividend Rate may change monthly as determined by the Board of Directors. For Money Market accounts, the Dividend Rate may change weekly as determined by the Board of Directors. Regular, Children's, Secondary, Holiday Savings and Money Market Accounts are tiered rate accounts. The Dividend Rate or Annual Percentage Yield applicable to each account depends on the balance ranges set forth on the reverse side. Once a balance range is met, the Dividend Rate and Annual Percentage Yield for that range will apply to the entire balance in your account.

2. Nature of Dividends. Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The Dividend Rate and Annual Percentage Yield set forth on the reverse side were effective on the last Dividend Declaration Date for the applicable dividend period.

3. Compounding and Crediting. For dividend bearing accounts, dividends will be compounded and credited monthly. The Dividend Period begins on the first calendar day of the month and ends on the last calendar day of the month.

4. Accrual of Dividends. Dividends will begin to accrue on cash deposits on the business day you make the deposit to your account. Dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all dividend bearing accounts, if you close your account before accrued dividends are credited, accrued dividends will not be paid.

5. Balance Information. The minimum balance required to open each account is set forth on the reverse side. The minimum monthly balance required to avoid a service fee or to obtain the stated Annual Percentage Yield is set forth on the reverse side. The minimum required balance and dividends are calculated by the daily balance method, which applies a daily periodic rate to the principal in the account each day. For Money Market accounts, there is a minimum balance required to avoid a service fee.

6. Account Requirements & Limitations. For Holiday accounts, you may make withdrawals in the first six days of account opening without a charge; thereafter, there is a \$10.00 charge per withdrawal for withdrawals prior to November 1. After November 1, the account balance will be paid to you by check or a transfer to another account. Premium Money Market Accounts require that you have an active primary checking account relationship with CCCU.

7. Consolidated Community Credit Union (CCCU), CCCU Cascade, and Providence Credit Union (PCU) are all trade names or registered service marks of Consolidated Federal Credit Union. Although these branches have different names, they are all part of the same credit union; shares and deposits held at each office are not separately insured.

8. New Account Incentives. New account incentives received by the member exceeding \$10 are subject to IRS 1099-INT reporting.

9. First-time Homebuyer Savings Account. Deductible contribution limits are set by the Oregon Department of Revenue, currently not to exceed \$6,125 for an account holder that files an individual tax return and \$12,245 for joint account holders that file a joint return and subject to change by the Oregon Department of Revenue. Account holder must be an Oregon resident and home purchase must be in Oregon. Deposits to an Oregon First-Time Home Buyer Savings Account can be made up to 10 years or until the account holder(s) purchase a house, whatever comes first. There is a maximum deduction of \$50,000. Please consult your tax advisor or the Oregon Department of Revenue (HB 4007) for a complete list of rules governing this account and the qualification that determine the applicable tax deductions. The credit union is not responsible or liable for: (a) Determining or ensuring that an account satisfies the requirement to be a First-Time Home Buyer Savings account; (b) Determining or ensuring that the funds in a First-Time Home Buyer Savings account are used for eligible costs; (c) Reporting or remitting taxes or penalties related to the use of a First-Time Home Buyer Savings account.
